

## Get into Summer with Free Child Swims!

enjoyleisure is delighted to announce that it will be offering children the opportunity to SWIM FOR FREE during the summer holidays!

“Get into Summer” is a Scottish Government-funded initiative to help children, young people and families have fun throughout the holiday period. The activities have all been planned to help children and young people who have been particularly affected by the pandemic to make the most of their summer and connect with others.

East Lothian’s charitable health, wellbeing and leisure trust, enjoyleisure have been awarded funds from East Lothian Council through the scheme to deliver “FREE CHILD SWIMS” to children of all ages across the county.

Available at each of the county’s swimming pools in Dunbar, North Berwick, Haddington, Tranent, Prestonpans and Musselburgh, children from 0-17 years can swim for free Monday to Friday between 9am-3pm inclusive from Monday 28<sup>th</sup> June – Friday 6<sup>th</sup> August. Out with these dedicated free swim hours, standard admission swim prices apply.

Due to social distancing measures, each of the swimming pools continue to be running timed bookable pre-set timed swim sessions. However each of the pool programmes is being adjusted to allow for more kids fun sessions and family tanks throughout the day.

enjoyleisure Chief Executive, Bill Axon comments; “Swimming is an essential life skill for all ages. This is even more important in coastal communities like ours. After such a devastating year of closures and restrictions, we are incredibly grateful that through this Get into Summer fund, we can provide free child swims across our facilities. We look forward to welcoming as many children and families as possible so they can benefit from the health, physical and mental benefits that swimming and leading an active lifestyle brings, all while having fun!”

East Lothian Council’s Cabinet member for Community Wellbeing Councillor Jim Goodfellow said: “Get into Summer funding has given us the opportunity to support projects and activities that would make a real difference to the wellbeing of children and young people. Using the funds to provide free swims during weekdays will give many families the opportunity to enjoy the county’s pools,
